Claims 1-9 have been amended. Claims 10-16 have been canceled. Claims 17-27 have been added.

EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Ari G. Akmal on 1/20/06, 2/8/06, 2/09/06 and 2/15/06.

The application has been amended as follows: please see the six pages attachment "proposed preliminary amendment" in the folder.

The following is an examiner's statement of reasons for allowance: The prior art WO 99/52026 and WO 96/13013 fail to teach a program for communicating with a participant over a network, the program including a first instruction for sending a communication to a participant and a second instruction awaiting a response from the participant; an engine for executing the program, the engine being able to process a plurality of instances of the program, associate each of the plurality of instances with a corresponding participant, and execute the second instruction of a first instance of the program after a corresponding response has been received from the corresponding participant associated with the first instance; a storage for storing data regarding each instance of the program that has not yet completed and for storing data regarding each participant whom the program is communicating.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Frantz B. Jean whose telephone number is 571-272-3937. The examiner can normally be reached on 8:30-6:00 M-f.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Zarni Maung can be reached on 571 272 3939. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
